CO. TREASURER URGES CITIZENS TO HELP SCHOOLS

Personal Property Tax Is Used Within County, Leaf Points Out

The following bulletin is being issued from Garfield R. Leaf, County Treasurer, Lake County, Waukegan, Ill.:

Personal property taxes are turned into the same channels as real estate taxes. A dollar is a dollar to the tax-paying bodies, whether it comes from a subdivision or a rug in the home.

Some taxpayers are under the impression that personal property levies go into a special fund, which is turned over to the state or some other governing body not closely connected with the community. This is wrong; every cent of personal property is used in the county. Most of the money is spent right in the very same community in which the taxpayer lives.

Payment of the delinquent personal property taxes that have been made the object of a county-wide drive will help many local institutions but the schools benefit the most, for they receive the largest share.

Taxes should be considered the same as other bills. Unfortunately, people who would not think of stalling off their electricity, grocery, or fuel bills take the attitude that tax bills can be put off indefinitely. This tendency places future obligations on their property and slows up tax collections, thereby embarrassing our public institutions, which have appropriations to make and budgets to plan.

Prompt payment of personal property taxes, which are seldom very large, is a good habit to acquire. Every dollar paid in taxes helps to keep our educational, municipal, sanitary and recreational activities going.

The collection of personal property taxes for the years 1936 and 1937 will continue in the County Treasurer's office through March 31st, after which they will be turned over to the various Justices of the Peace for collection.

REV. HOLDEN OF MILLBURN DIES

Passes Away at Beaumont, Texas, as Result of Heart Attack

Rev. Samuel E. Holden, recently minister of the Congregational church at Millburn, died at Beaumont, Texas, on Sunday, March 12, as the result of a heart attack, according to word received here last week.

For six years, from 1933 to January 1 of this year, Rev. Holden was the pastor of the church in the Millburn community and became well known in Antioch. During his period as pastor the historic old church in Millburn was demolished by fire and the new and modern edifice erected.

Rev. Holden retired from the active ministry at the beginning of 1939 because of ill health and left at once for Texas where he had lived before coming to Illinois. A year ago Mr. Holden spent three months in the Carolinas, and it was expected that his return to the south this winter would prove beneficial to his health. News of his death came as a shock to his many friends in this vicinity.

For thirty-eight years Samuel Holden was a Congregational minister, serving parishes in Maine following his ordination in 1901 and going successively to churches in Massachusetts, North and South Carolina, Louisiana and Texas. In the latter state he served from 1920 until 1933 as a secretary of the Southwest Region of the Congregational Christian Churches.

His wife died in 1918 and his daughter, Edith, is a resident of Chicago. The funeral services were held in Texas.

Prowlers, Stay Away! Beatrice Can Shoot

Awakened by a dimmed flashlight shining on the garage at the rear of her home on Route 173, at Channel Lake early Monday morning, Miss Beatrice Vogt wasted no time in idle tremors. Seizing a .38 calibre revolver, she fired two shots in the direction of the light, and afterward notified deputy sheriffs. Miss Vogt said she had used her revolver on a previous occasion when she believed burglars were attempting to break into the garage.

Legion Auxiliary Holds Essay Contest

"Queen Marie of Rumania, Ambassador of International Good Will," is the title which has been announced for the Fidal essay contest being conducted by the American Legion auxiliary for high school students all over the country.

The Antioch unit of the auxiliary is offering a prize of \$3 for the best essay submitted by a local high school student and \$2 for a second prize.

The winning essay will be sent to the state contest. The state winners in turn will be submitted in the national event. The national prizes include a \$200 scholarship for first place; \$15 in cash for second place, and \$10 for third place.

SCHOOL ELECTIONS TO BE HELD APRIL 8

To Elect Board Members at Grade and High Schools

Three elections of importance to school patrons and taxpayers alike are to be held in Antioch the afternoon of Saturday, April 8.

The balloting at the grade school is for the election of a president of the board of education to serve for one year, and two board members to serve for three years. The candidates are Joseph Horton, for re-election as president, and Mrs. Myrtle Klass and Mrs. Ida Kufalk, present board members, also candidates for re-election. The polls will be open from 1 to 6 o'clock.

Other members now serving are Robert Wilton, Elmer Brinkman, Arthur Hawkins and Mrs. C. L. Kutil.

High School to Elect Two

Two are to be elected as members of the board of education at the high school. The terms are for three years. The candidates are George White, Mrs. Helen Osmond, present board members who are candidates for re-election, and James McMillen and Paul Chase. The board has five members and president and secretary are chosen at the organization meeting following election. White is now president of the board and Mrs. Osmond secretary. Both have served for a number of years.

Chase, a new candidate this year, is a member of the state police organization and formerly was president of the Channel Lake community club.

McMillen is a graduate of the Illinois state university, where he is credited with receiving high scholastic honors. He operates a large farm and is interested in agriculture. Being one of the top contenders for the heavy-weight wrestling championship, he has given much of his time to this and other athletic activities.

Citizens agree generally that all candidates are well qualified, and it remains for the voters to make their selections at the election on April 8.

Minto for School Trustee

Also at the high school from 1 to 5 on the same date will occur the election of a township school trustee to serve for a six year term. One is to be elected, and D. H. Minto, present board member, is without opposition for re-election. Other trustees are Otto S. Klass and Bert Edwards. The township school treasurer is George B. Bartlett, who has handled the school funds of the township for many years. The treasurer is appointed by the trustees.

New Store to Have Opening on Saturday

An addition to Antioch's business section will be the Vogue shop, to be opened in the new double-store building at 900 Main street.

Mr. and Mrs. Martin Anderson, Woodstock, are the proprietors of the new establishment, which will carry a stock of women's dresses, hats, lingerie and hosiery. The Andersons have for many years conducted a similar establishment in Woodstock.

The opening of the store is set for Saturday, April 1.

The second store space in the new building is occupied by Howard's luncheon and fountain service, conducted by Mr. and Mrs. C. E. Howard, owners of the building.

"Quizzes" to Close at Lake Villa Friday Night

Last of the series of enjoyable "quiz" programs which have been held in the Lake Villa village hall on Friday evenings during the past few weeks will be the one tomorrow evening, March 31, when the Antioch Lions club team will meet a team of Lake Villa business men.

The Lions club team lost to Lake Villa in a previous encounter, and tomorrow's event should show some keen rivalry.

BOXING FINALS ATTENDED BY CROWD OF 700

Winners Among 66 Boys Appearing in Tourney Are Announced

A capacity crowd of nearly 700 attended the finals of Antioch Township High School's boxing tournament Friday evening. Preliminary bouts were held on Monday and Tuesday.

Thirteen fast three-round bouts held the attention of Friday's audience every minute.

The rounds were one-minute in duration, making for a rapid pace. Fourteen-ounce gloves were used in all of the matches, to cut down the chances of injury to the boxers.

Winners in the tournament, which brought to a close the high school's boxing season, were:

10 lb. class—LeRoy Maleck winner over Donald Hills.

110 lb. class—Billy Mongan winner over Louis Kratz; Frank Petty winner over Robert Phillips.

130 lb. class—James Roepenack winner over Billy Johnson; Jack White winner over Frank Oliver.

140 lb. class—Robert Elfering winner over George Sterbenz.

145 lb. class—John Blackman winner over William Reamer.

150 lb. class—Robert Pedersen winner over Arthur Small; Leo Buchta winner over Orville Winfield.

160 lb. class—Fred Zilke winner over Dale Smith; Lyell Dibble winner over Harold Vandenberg.

175 lb. class—Paul Sterbenz winner over Russell Homan.

180 lb. class—Robert Burke winner over Willard Randall.

The high school athletic program for the remainder of the year will be devoted to wrestling, baseball, track and field, tennis, and golf. This program will keep all boys busy in some kind of sport.

CANDIDATES WAGE FRIENDLY CAMPAIGN FOR TOWN OFFICES

One of the cleanest campaigns seen here in many years is being waged by the seven candidates for township office, three who seek the supervisor post and four who aspire to the road commissioner job. That is the opinion of voters who have watched the progress of the campaign from the sidelines.

An unusual feature of the local campaign is the activity on the part of friends of the candidates, each having a following of supporters working ardently for the election of their favorite. It is quite generally agreed among the voters that no criticism of importance can be leveled at the incumbents, Barney Naber, supervisor, and Carl Barthel, highway commissioner; however, competing candidates for these offices have their friends who would like to place them in the positions they desire.

The election here next Tuesday is expected to draw out a large vote. Names appearing on the ballot will be:

For supervisor—Bernard F. Naber, William Hattendorf, and James Webb. For Highway Commissioner—Carl Barthel, Edward J. Flanagan, Thomas Runyard, and Edward Hildebrandt.

Dr. L. John Zimmerman and Mrs. Louise Vos are candidates without opposition for library trustees.

District Women's Clubs Plan Annual Meeting

Marjorie Elliott, composer, pianist and soloist, will be featured in an afternoon program following the business period at the annual meeting of the Tenth District Federation of Women's clubs, Thursday, April 6th. The Rogers Park club will be hostess to the gathering of representatives of clubs in the district, which includes the Antioch Woman's club.

Townsend Club Will Hear Speaker April 7

J. G. McKibbin, a speaker authorized by the national Townsend organization, will address an open meeting of the local Townsend club Friday evening at 8 o'clock in the village hall. An opportunity for a forum discussion will be given at the close of the talk.

EMPTY AGAIN!

Meeting of 4-H Clubs Planned for Wed., Apr. 5

An organization meeting for all 4-H club leaders will be held at the Home Bureau office, Grayslake, Wednesday afternoon, April 5, at 1:30. At that time information and supplies for all county girls' 4-H clubs will be distributed. Any group of 5 girls interested in starting a new club this year should be sure to notify Mrs. Helen Johnson Volk, Home Adviser, Grayslake 6611, any morning. Many new and interesting projects will be offered this year in clothing, foods, and room improvement.

TAX RESOLUTION HITS AT IMMUNITY OF "GOLD COASTERS"

Dem. Central Committee Urges a Uniform Rate Throughout County

Residents of Lake county's "Gold Coast" receive the benefit of unfairly low tax ratios on their personal property while other tax-payers carry a proportionately heavier burden and their personal property is assessed at a far higher ratio to its actual value, the Lake County Democratic Central committee charges in a tax resolution it has presented to the county supervisor of assessors.

The committee urges that either the ratio along the "Gold Coast" be raised to equal that which prevails in the rest of the county; or that the ratio in the rest of the county be lowered to the level that used on the "Gold Coast," as the wealthy region including Lake Forest and similar communities is termed.

Condemns Inequalities

The resolution reads as follows: "WHEREAS, the assessors in the townships are about to make up their valuations on properties for tax purposes, and

"WHEREAS, through the press we are informed of huge philanthropic gifts and bequests in wills of hundreds of thousands of dollars from individuals whose personal property is assessed for tax purpose, at insignificant sums in comparison, and

"WHEREAS, this casts a burden on other taxpayers whose personal property is assessed at a far higher ratio to its actual value, and

"WHEREAS, it is felt that this practice is unsound and neither uniform, equal nor fair,

"THEREFORE, be it resolved that the Democratic County Central Committee condemns such inequalities and calls upon the assessors to correct them.

"BE IT FURTHER RESOLVED that the Supervisor of assessments be requested to exercise his authority to make the assessments of personal property uniform throughout the County, either raising the ratio along the Gold Coast to equal that which prevails in the rest of the County or lowering the ratio in the rest of the County to the level of the one used on the Gold Coast."

Mrs. James Stearns has returned much improved in health from Waukegan, Wis., where she spent ten days taking treatments at the baths. Mrs. Howard Smith, who is at Waukegan this week, is expected to return Saturday.

LOCAL TAX RATE \$5.90; DOWN 23c FROM LAST YEAR

Local Schools' Maintenance Requires over 55% of Total Taxes

Antioch taxpayers will pay \$5.90 per \$100 property valuation this year, according to tax rate schedules just released by County Treasurer Garfield Leaf. This year's rate is 23 cents lower than that of last year, which was \$6.13.

The tax rate this year will be distributed as follows: County—45; county bond—05; town tax—42; road and bridge—33; high school—\$1.25; village—97; village bond—33; grade school (Dist. 34)—\$2.00; library—10.

It will be noted from the above that the rate for the maintenance of local schools is \$3.25, more than 55% of the total rate for all purposes.

High School Spends \$35,513.86

During the last fiscal year ending July 1, 1938, expenditures for the local high school (Dist. 117) totalled \$35,513.86. Expenditures from the building fund accounted for \$3,151.45, and \$32,362.40 was spent for teachers' salaries, and miscellaneous cost of operation, all taken from the educational fund. The tax levy for the year was \$36,000.00, \$7,000.00 for the building fund and \$29,000.00 for the educational budget. The indicated deficit in this fund was made up through state and federal aid for the agricultural and home economics departments and in tuition from non-high school districts, and other tuition-paying students.

Grade School Costs \$20,625.22

The Grade school (Dist. 34) operated for the year ending July 1, 1938, for a total cost of \$20,625.22, including disbursements from the building and bond fund, \$4,941.61, and educational fund, \$15,683.61, the secretary's records reveal. The levy of \$20,000 was augmented by the addition of \$2,268.60 state aid, and \$142.50 collected as tuition. The district ended the year with a balance of approximately \$1,000.00.

The tax rate for the grade school district is higher than that of the high school district, due to the fact that there is far less taxable property in the small grade school district.

BRINGS ACTION ON LAMB SHOW

C. L. Kutil Helps Encourage Interest in Exhibit Set for June 20-21

C. L. Kutil, instructor in vocational agriculture at Antioch Township High school, is credited with rousing much of the interest that has led to plans for staging a market lamb show for junior farmers, June 20 and 21, in the International amphitheater at the Union Stock yards in Chicago.

Prizes totaling \$240 in cash will be awarded for the finest exhibits. Entries will include single lambs, pens of three, five and ten lambs.

Animals will afterward be auctioned off to the highest bidder. Representatives of packers, railways, hotels, large chains, etc., are expected to be present to buy these choice fat lambs.

Entries will be limited to those of future farmers and 4-H club members. Educational trips, demonstrations and entertainment will be held in conjunction with the exhibit and sale.

Educational Purpose

The purpose of the show is to encourage production of early market lambs of desirable weight and quality by young people on farms. It is also designed to familiarize young people with marketing procedure, and the marketing of meats and packing house by-products.

A number of youths from Antioch High school are planning to take part in the show, and are preparing lambs for exhibition, Mr. Kutil reports.

Mr. Kutil has urged the holding of a market lamb show for the past two years and has advocated it among vocational agriculture instructors of Illinois and Wisconsin.

The encouragement and interest the project aroused led to its being brought up before the Illinois State Association of Vocational Agriculture teachers, which appointed a committee to go ahead with plans for the show.

Mrs. Della Bell, Mrs. Howard Christensen and son, Stuart and Mrs. Harry Nathaus of Chicago were calling at the Murry Horton home last Friday.

SALES IN STORES YIELD \$5,106,192 IN HIDDEN TAXES

Lake County Families Bear Heavy Tax Burden on Necessities of Life

Families of Lake county pay \$5,106,192 in hidden taxes annually on their retail purchases alone, a survey by the National Consumers Tax Commission showed today.

This burden, the report stated, is paid as a concealed part of the price of food, clothing, fuel, medicine and other daily purchases. The figure does not include sales tax revenues.

The commission is a non-political organization of women combatting through local study groups "unnecessary taxes that penalize consumers by increasing the cost of living." Groups are active in about 150 communities in the Illinois drive, led by Mrs. Franklin M. Miller, of Chicago, national committee member.

"Every-day shoppers, whether they know it or not, carry a major share of the local, state and national tax burden," Mrs. Kenneth C. Frazier, president, said in the report. "Hidden taxes, increasing the cost of even the necessities of life, produce 63 per cent of all tax revenues. The taxes are levied first against producer, manufacturer, shipper and distributor and then passed on to consumers."

The report, which said NCTC study groups in 3,900 communities have added their forces to the crusade, pointed out that the local hidden tax figure concerns retail sales only and does not include many other taxes, hidden and direct, that families here have to pay.

The analysis, directed from the NCTC headquarters in Chicago, was based on total retail sales in the county of \$32,732,000 as reported by the U. S. Bureau of the Census.

FORMER ANTIOCH RESIDENT DIES

Mrs. Barbara Shepherd Passes Away, Aged 73, in Waukegan

Mrs. Barbara Shepherd, former resident of Antioch from 1919 to 1937, died at the hospital in Waukegan yesterday, at the age of 73 years. She had been ill since February 8, when she suffered a heart attack.

She was born in Wurtemberg, Germany, March 6, 1866.

She was married to Paul Shepherd March 2, 1891, and the couple came to America in 1893, and resided in Canada for eight years before coming to Chicago. They lived in Oak Park until 1919.

To this union seven children were born, three of whom survive: Charles of Chicago; Mrs. Anna Bond, Forest Park, and Albert of Antioch; also seven grandchildren. The husband, who survives, lives in Florida.

Funeral services will be held Saturday afternoon at 2:00 o'clock at Strang's funeral home and interment will be in Hillside cemetery. The Rev. S. E. Pollock will have charge of the service.

The Irony of It!

The very backbone of Americanism is the inalienable right of self-expression of the individual—the citizen's right to free speech. Under other "isms" there is no such right. In fact, in foreign lands where Communism, Fascism or Nazism have replaced other forms of government, free speech has been the first right taken from the citizen.

It is ironical, then, that in America's largest city recently, members of an organization advocating Nazism for the United States should exercise this right of free speech to agitate an overthrow of the Constitutional right that makes that speech free and uncensored. And to see to it that this organization was not molested in its exercise of that right, 1,500 policemen guarded the meeting against any interference.

That is the American way.

Picture a meeting in one of the dictator countries (if your imagination will stretch that far) with speakers extolling the virtues and benefits of Americanism! No doubt the 1,500 policemen would appear—but for a different purpose. The best that the participants could expect would be imprisonment, and the leaders would indeed be fortunate to escape a firing squad.

That is the un-American way.

"—After the Horse Is Stolen"

There isn't much comfort to be found for the taxpayer in the official Washington announcement that no increase in the National debt limit will be sought at this session of Congress.

As Secretary of the Treasury Morgenthau so well put it—it is just about as comforting as a padlock on the stable door after the horse is stolen.

The National debt is now at the \$40,000,000,000 level. The present legal limit to which it can grow is \$45,000,000,000. Current budget estimates will carry the debt to within an eyelash of the \$45 billion figure by next year.

Even if a new limit is not sought at the next session of Congress there is not much to cheer about in the present situation. The debt has to be paid, and it can be paid only through taxation.

But there is no assurance that a higher debt limit will not be asked for next year. In fact, all indications

point toward a bigger debt. This indication comes from the apparent Washington policy of "let's spend and spend and spend some more."

It is about time for economy to be made a word of actuality and action instead of just a seven-letter word that sounds good in conversation. It is past time for a recognition of the fact that you can't spend a country out of debt and depression.

And it is about time for the taxpayer-worker to start figuring out how he is going to make his earnings meet living expenses and government expenses at the same time.

Totalitarian "Efficiency" Just a Dream

(From "Labor")

Many claims are heard nowadays that dictator countries are performing miracles of industrial production, while democracies lag behind.

Those assertions can seldom be tested by figures, but a "yardstick" for one of them was provided this week by a Department of Commerce report.

It says that automobile production in Germany "increased slightly" from 267,000 cars in 1937 to 278,000 in 1938 and truck production rose even less, from 60,000 to 61,000.

In 1938 the United States produced 2,000,985 cars and 488,650 trucks. To equal that record in proportion to its population, Germany would have had to produce at least 1,000,000 cars and 250,000 trucks. Actually, it produced about one-fourth that many.

This is a fair test of dictatorship "efficiency," because Hitler started out several years ago, with a blare of publicity, to make a cheap "people's car" which would put millions of Germans on wheels.

Yet Germany's automobile production made almost no gain last year, and is not even in sight of the annual production figures of democratic Uncle Sam.

Our Greatest Domestic Problem

The most pressing domestic problem we have concerns unemployment. We can have no real economic recovery, much less a return to our former standards of prosperity, until this problem is solved. And it never will be solved until there is a complete change in the administration's methods of handling relief. From the outset a policy has been pursued that has created a vested interest in the continuance of relief regardless of changing conditions.

The WPA is going to build an exhibit at the expense of \$250,000 at the New York fair to advertise its activities. Wouldn't it be nice to give each visitor to the exhibit a souvenir silver plated shovel with padded arm rest?

for bank directors at Madison on Tuesday.

Lillian Chermick was a week-end guest at the home of William Maloney in Pleasant Prairie.

Approximately a hundred dollars was collected by Francis Reiter and his assistants on the committee of the Holy Name church for the Catholic charity drive.

Mr. and Mrs. Herman Frank and family were guests Saturday of Mr. and Mrs. Roy Kufalk at Antioch, and of Mr. and Mrs. Walter Cairns at Slades Corners on Sunday.

Margery Peterson spent the week-end in Kenosha with friends.

Sunday afternoon guests of Mr. and Mrs. Adolf Marcussen were Mr. and Mrs. Ernest Buesch and daughter of Milwaukee, and Mr. Philip Buesch of Burlington. Sunday evening Mr. and Mrs. Marcussen and family accompanied them and visited Mr. and Mrs. Fred Richter of Burlington.

Several members of the Wilmot I. O. O. F. attended a meeting of District Lodge No. 38 at Kenosha Saturday afternoon and evening. District No. 38 includes the Wilmot, South Milwaukee, Kenosha and two Racine lodges.

The next district meeting will be held at Wilmot in May. The exact date is to be determined later. All the lodges in the district are working on plans for the entertainment of the Grand lodge in Kenosha the first week of June.

About one hundred Odd Fellows are expected to attend the Wilmot lodge

United States Mint

The mint of the United States was established at Philadelphia by the resolution of congress dated April 8, 1792, and the first coins were struck at the new mint in March of the following year.

Find Primitives' Caves

Caves of primitive man have been discovered in Canada. This forms a new link in the theory that America's first inhabitants reached the continent across the Bering strait.

FORD IS DIFFERENT ... AND HOW!

It's different in its MODERN STYLE

New Ultra-modern lines of beauty emphasize Ford V-8 style leadership in the low-price field. New interiors and completeness of appointments emphasize this Ford V-8 distinction, too.

in its luxurious V-8 PERFORMANCE

There's no power so smooth and responsive, in the low-price field as V-8 power. V-8 smoothness is luxury performance found elsewhere only in higher priced cars.

in its bigger HYDRAULIC BRAKES

Larger Hydraulic brakes than on any other car in its field add to your complete driving confidence. Extra braking area means longer brake life.

Ford V-8 is the only car in the low price field that combines these major advantages.

NOTE these other value-features too:

1. BIGNESS. Not only in luggage space is the new Ford more roomy, but new body-styling also has achieved a new luxurious sense of space-to-relax in. Both front and rear seats accommodate three people comfortably.

2. TRIPLE-CUSHIONED COMFORT. New roll-front seat cushions, combined with soft transverse springs, and four big, double-acting hydraulic shock absorbers, give luxurious new riding comfort. The new Ford stabilized chassis assures level starts, level stops, a cushioned, level ride.

3. QUIETNESS. Scientific soundproofing has achieved amazing hush in the new Ford V-8. The most modern methods of insulation and sound absorption have been adopted, to make every ride in the new Ford quiet and restful.

The DeLuxe Tudor Sedan illustrated includes all the following: Bumpers and four bumper guards • Spare wheel, tire and tube • Cigar lighter • Twin air-electric horns • Dual windshield wipers • Two sun visors • Lock on glove compartment • Clock • DeLuxe steering wheel • Rustless Steel Wheel bands • Twin tail lights • Foot control for headlight beams with indicator on instrument panel • Entirely new battery-condition indicator. No other car in the low-price field offers all this equipment at no additional cost!

YOUR LOCAL FORD DEALER

TREVOR

Mrs. Alfred Dahl was a Genoa City caller Wednesday.

Mrs. Dave Elfers, Mrs. Charles Oetting, Mrs. Theron Hollister, Mrs. Elmer Fleming and Mrs. William Boersma attended the Mothers' club card party at Wilmet Tuesday evening.

Mr. and Mrs. Paul Ganzlin of Wilmet were Friday evening visitors at the William Boersma home.

Mrs. Charles Sibley and daughter, Mrs. Hawkins of Antioch were Tuesday callers in Trevor.

Mrs. Joseph Smith, Mr. and Mrs.

Harry Dexter, Jr., Mr. and Mrs. Dave Elfers, son, Billy, and daughter, Ruth, Mrs. Elmer Fleming and Mrs. A. Hart and daughter were Kenosha visitors Tuesday.

Mr. and Mrs. Joseph Letzer of Chicago called on Trevor friends Wednesday.

Mrs. L. Patrick and son Millon, spent Sunday with their cousins, Alex

Bailey and wife at La Grange, Ill.

A large number from Trevor and vicinity attended the card party at Twin Lakes Saturday evening.

Walter Baethke and Mrs. Mary Parks, Antioch, the former's son and wife, Mr. and Mrs. Elmer Baethke and son, Eugene, Barrington, Ill., called at the A. J. Baethke home Sunday afternoon.

Mrs. Laura Oetting and son, Herman Oetting, Berwyn, visited at the Charles Oetting home Sunday.

Mrs. Luanah Patrick and son, Milton, were in Burlington Monday morning, Miss Sarah Patrick returning home with them.

Mrs. Charles Oetting and son, Louis, visited Sunday evening at the Walter Lasco home.

- Jack Flanagan has lived in Antioch Township, Lake County, Illinois, for the past thirty years.
- He has been a property owner and tax payer in Antioch Township for the past twenty-five years.
- Mr. Flanagan has had nine years experience in road work and highway work in Antioch Township and is well qualified to hold the office of Highway Commissioner.

YOUR VOTE AND SUPPORT WILL BE APPRECIATED
ELECTION APRIL 4, 1939

News
ofANTIOCH and
VicinityWOMAN'S CLUB TO MEET
AT VOS HOME MONDAY

An interesting program of music and readings will be heard by members of the Antioch Woman's club Monday afternoon at one o'clock when the group meets at the home of Mrs. Edmund Vos. The soloist will be Miss Lois Tschappat of Grayslake, and her accompanist will be Miss Elizabeth Carroll of Libertyville. Heard in unusual reading will be Miss Emily Mary Tschappat, also of Grayslake. The trio have been heard here several times at meetings of the local parent-teacher association.

Co-hostesses with Mrs. Vos are Mrs. C. K. Anderson, Mrs. G. W. Jensen, Mrs. D. N. Deering and Mrs. C. J. Heinzelman.

CHANNEL LAKE CLUB
HOLDS CARD PARTY

Twelve tables of cards were in play at the monthly meeting of the Channel Lake Community club held at the school on Tuesday evening. Prizes were won by Harold Eltherington, Otto Hanke, Mr. and Mrs. Faulkner, John Volk, Eugene McDougall and Russell Meade.

The club's next meeting will be a business meeting to be held on Monday, April 10 at 8 p. m. at the school house.

AID WOMEN TO HEAR TALK
AT DESSERT LUNCHEON

The April group of Methodist Ladies Aid will hold a dessert luncheon at the home of Mrs. L. O. Bright on Wednesday, April 5 at one o'clock. Following the luncheon there will be a talk by Dr. Bushnell of Highland Park on "Maternal and Children's Welfare."

A silver offering will be taken and the monthly business session will be held. Ladies of the community are welcome and are urged to attend.

ALTAR AND ROSARY TO HOLD
MEETING WEDNESDAY

The Altar and Rosary society of St. Peter's church will hold an important meeting on Wednesday afternoon, April 5, at two o'clock at the rectory hall. All members are urged to attend.

Births

Mr. and Mrs. Rual Richards of Sandwich, Ill., are the parents of a baby girl born Sunday, March 26. Mrs. Richards is the former Frances Griffin, daughter of Mr. and Mrs. Charles Griffin of Antioch.

Marriage Licenses

A marriage license has been issued in Waukegan to Edwin John Unruh, Long Lake, and Agnes Mary Toney, Fox Lake.

Millburn Ladies Plan Dinner

The Ladies Aid society of the Millburn church have announced a dinner to be served at the church on Thursday, April 6, at 12:00 noon.

Mr. and Mrs. D. D. Clifford and son, Douglas, of Highland Park, were dinner guests at the home of Mr. and Mrs. S. Boyer Nelson on Saturday evening.

Mrs. Vera Renner and her mother, Mrs. Effie Nelson, and Mrs. George Bacon spent Wednesday afternoon in Kenosha.

Mary Lou Sibley is home from Rockford college to spend a 10 days' spring vacation with her parents, Mr. and Mrs. N. E. Sibley.

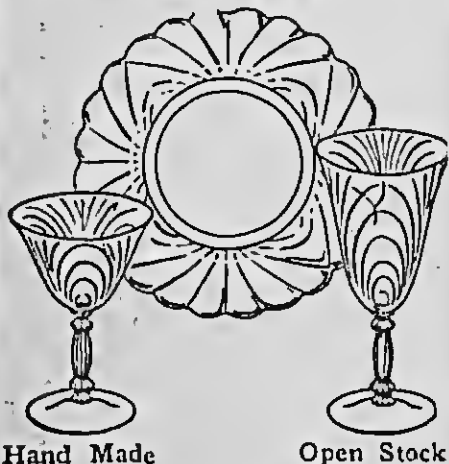

Miss Frances Graeser is a patient at St. Therese hospital in Waukegan.

TREATMENTS

Due to numerous inquiries regarding the cost of treatments, we believe it advisable to publish this list:

Per single treatment.....\$2.00
Two or more member of same family treated at same visit, per treatment.....\$1.50
Those cases requiring 3 treatments per week.....\$5.00 per wk.

Al Swenson is a surgery patient at Victory Memorial hospital in Waukegan.

Rev. M. L. Frank Is
Named Millburn Pastor

Reverend Melvin Lynn Frank has recently become the minister of the Millburn Congregational Church, succeeding Rev. Samuel E. Holden. Rev. Frank was called to the church in January and has been serving as the pastor for several weeks.

Before coming to Millburn, Rev. Frank was the assistant minister of the Bryn Mawr Community Church in Chicago and he has served as minister of several congregations in Minnesota. He received his education at the University of Minnesota and the Chicago Theological Seminary.

At the present time Rev. Frank attends the University of Chicago while carrying on the work of the Millburn church. He and Mrs. Frank and their small son are residing in the parsonage at Millburn.

Camera Club to Include
Beginner, Advanced Work

A camera club for all who are interested in the hobby is to be organized by "Tex" Wiley under the auspices of the Antioch Recreation committee.

In addition to taking up the basic principles of photography for "beginners," Mr. Wiley will give attention to more advanced types of work, such as coloring, action pictures, portraits, and commercial work.

He also plans to give occasional demonstrations of equipment necessary in various phases of photography. An exhibit of work done by members of the Lake County Association of Camera Clubs will be held at the Antioch Community party April 15, at the high school.

The Antioch group plans to become a member of the association as soon as it has completed its organization.

FRANK WHITTON DIES IN CHICAGO

**Well Known Sports Goods
Dealer Passes Away
at Age of 77**

Funeral services were held Monday afternoon in Chicago for Frank Whitton, Sr. Mr. Whitton, who was owner of the Whittonian Tennis shop in Chicago, had been a summer resident at Antioch for the past 48 years.

Mr. Whitton's death, which took place Friday at 2 a. m. at the home of his son, Charles Whitton, Chicago, was attributed to a stomach ailment. He was 77 years of age.

Born Feb. 17, 1862, in Sheffield, Yorkshire, England, Mr. Whitton was united in marriage to Miss Anna Elizabeth Whitely of the same city, who preceded him in death 23 years ago. He was active in the sporting goods business in Chicago for about 50 years.

Survivors include a daughter, Mrs. Anna E. Dunford, of Marshfield, Mo., formerly of Antioch, and two sons, Charles and Frank Whitton, Jr., both of Chicago.

Also surviving are a step-daughter, Mrs. Hannah Engstrom, Chicago; a brother, Charles Whitton, of Edmonton, Alberta, Canada, 12 grandchildren and seven great-grandchildren.

The funeral services Monday were held at 1:30 p. m. from the chapel at 1844 West Sixty-third street in Chicago, to Holy Trinity Episcopal church. Interment was in Woodlawn cemetery.

HOMEMAKERS FIND CLEANING AIDS CAN BE MADE AT HOME

Housecleaning hints already are going out to Lake county homemakers as a result of one of the new home bureau studies started Friday at Libertyville, reports the home adviser, Mrs. Helen Johnson Volk, of Grayslake.

Miss Gladys Ward, home management specialist of the College of Agriculture, University of Illinois, in meeting with a group of 19 homemakers who are serving as county local leaders, advised all women to start in making housecleaning plans immediately.

Much time and labor may be saved by doing some of the odd jobs now

and by preparing in advance a number of the supplies needed in cleaning, the specialist said. Recipes suggested by the specialist are to be distributed at the forthcoming unit meetings.

Among homemade cleaning supplies to lighten the housecleaning task, are soap, polishes for furniture, woodwork and silver and other metals, water softeners and wax.

Homemakers were advised to provide ample storage space and containers for the materials they make. Turpentine and oils are inflammable and should never be exposed in a room with open fire or flame, Miss Ward cautioned. Cleaning cloths with oil or turpentine should be kept in closed metal containers away from all fires. Cleaning supplies such as cloths, brushes and containers should be cleaned before storing away, not only as a safety precaution, but to have them ready for use at a later date. Replacement of worn-out supplies promptly will reduce the time and energy in cleaning.

The lesson on "Homemade Cleaning Supplies and Their Use" will be given by local leaders at all the Home Bureau unit meetings in April. Mrs. Volk will give the minor lesson on "Interesting Places to Visit in the Great Lakes Region."

Girls Accused of Thefts Sent to State Hospital

As a result of a psychiatric examination, an 18-year-old girl accused of taking articles from two cottages and a schoolhouse near Antioch, as well as from a residence, is being sent to the state hospital at Elgin.

The girl, Elizabeth Edelmanna, Fox Lake road, admitted to Lake county deputy sheriffs that she had taken an outboard motor and some foodstuffs from the Channel Lake cottage of James H. Worswick, Forest Park, and canned food and a flashlight from the Joseph Renzy cottage at Lake Marie.

Some pencils and erasers she had taken from the Emmons school were returned by a younger sister.

She also stated she had taken a watch and engagement ring from the P. T. Larson home. The ring band was returned to Mrs. Larson, although a pearl set in it was missing. The watch has not as yet been recovered.

Why Keep It Up?
Some poets are always being talked about by the literate and whooped over; and not one verse of theirs is on the lips of the people—or is ever quoted by anyone. Not much use keeping up the ululation.

Russians Convene, Speed 'Plan'

Photograph shows Josef Stalin (left), Soviet dictator, and Premier Viacheslav M. Molotov, directors of the Russian Communist party's eighteenth congress which opened at Moscow March 10. Chief business before the convention was speeding of Russia's second five-year plan to complete one of the most gigantic development programs in history by 1942.

Antioch Dog Fanciers Seek Further Honors

From one extreme to the other range the entries to be made by Antioch dog fanciers in the Kennel Club show at Chicago this Saturday and Sunday.

Miss Laura A. Hatch, whose toy terriers have already taken honors in

the Rock River Kennel club show at Rockford and the Northbrook show at Lake Forest, is planning to enter two of her dogs at the Chicago event. Of the three she entered in the Lake Forest show last fall, two took blue ribbons and the third a red ribbon.

Three St. Bernards will be taken to Chicago by Ray Eddy, whose dogs, including the notable "Kyra," are gaining a growing reputation.

'Over the Hills' Is Rotnour Presentation

"Over the Hills to the Poorhouse," one of the "grand old plays" of all time, will be given by the J. B. Rotnour troupe this evening at the Crystal theater. Tonight's offering marks the company's start on its last series of plays for the season.

Next Thursday evening the Rotnour players will give a fast-moving comedy, "Just Another Sap."

Two new members, Kingdon and Gibbs, have been added to the company. They sing, play and dance, and their talents are expected to add much

to the entertainment value of the performances.

Free merchant tickets may be obtained from firms listed elsewhere in this issue.

Recreation Board Will Plan Summer Activities

A program of summer activities will be outlined by the Antioch Recreation association at a meeting to be held next Wednesday evening.

A conducted "hike" up the creek Saturday and an "Easter egg hunt" for the children on the Saturday before Easter are among the coming events for which the association is making plans.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By REV. HAROLD L. LUNDQUIST,
Dean of the Moody Bible Institute
of Chicago.
© Western Newspaper Union.

Lesson for April 2

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

SAUL BECOMES A NEW MAN

LESSON TEXT—Acts 9:1-12, 17-19.
GOLDEN TEXT—Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.—II Corinthians 5:17.

The conversion of Saul is admittedly one of the outstanding events in Bible history. When two brilliant English lawyers, Lord Lyttleton and Sir Gilbert West, set out to disprove the truth of Christianity, they selected the resurrection of Christ and the story of Paul's conversion as the focal points of their proof. Working independently, they then came together to compare notes and found that they had both become Christians since they had become convinced of the truth of the Scriptures.

The two events may well stand together as evidence for Christianity, for only on the ground of regeneration can the change in Saul be accounted for, and only on the assurance that he met the risen Christ on the Damascus Road can we account for his conversion. This is a great lesson, let us make the very most of it.

I. A Bold Persecutor (vv. 1, 2).

As our lesson opens we find the brilliant and zealous young Jew, Saul, "yet breathing out threatenings and slaughter against the disciples of the Lord." The persecutions in Jerusalem had practically wiped out the church in that city, but had scattered the disciples abroad, and thus the witness had been spread. The death of the godly Stephen, to which Saul had given his approval, had only increased his determination to destroy those who were "of the way" of Jesus. Looking for new fields to conquer, he carries with him to Damascus letters from the high priest at Jerusalem, giving him authority to imprison the followers of Christ. But on the way he meets Christ Himself, and is stricken to the earth.

II. A Convicted Sinner (vv. 3-9).

Stricken down by a brilliant heavenly light, he finds himself talking to the Lord Jesus. He hears from His holy lips the solemn indictment of those who persecute God's people—"Why persecutest thou me?" He who lays unkind hands, or untrue accusation upon God's children had best beware, for so closely is our Lord identified with His people that when they suffer, it is He who bears the hurt.

In a single sentence the Lord disposes of the persecuting zeal and the sinful skepticism of this proud young Pharisee, and Saul enters into Damascus not as the haughty persecutor, but as a man trembling and astonished at his own sin. He spends three days shut in with his own soul and God, not seeing, not caring to eat, losing all consciousness of earth, but entering into communion with God. By God's grace the old life is pulled up by the roots as it is displaced by the new life in Christ Jesus.

III. An Obedient Disciple (vv. 10-12).

Ananias was the "I am here, Lord" type of Christian to whom the Lord can confidently commit His important business. All we know of him is what is contained in this chapter, but it is a very beautiful and enviable record. God is able to work directly on any human soul and accomplish His end (as He did with Saul on the Damascus Road), but His usual manner of working is through faithful human agencies. One wonders how much would be accomplished for God if every Christian were as willing and ready as was Ananias to do the Lord's bidding in seeking out and helping a struggling soul. The greatest of all Christian leaders, the apostle Paul, was led out into his life of loyalty and service to Christ by a humble layman. Repeatedly God's Word by precept and example stresses the vital importance of personal work on the part of laymen and women. The leaders of Christian work during the coming generation are now in the Sunday School classes of our churches, perhaps in a little wayside chapel in the country, in the village church, in the mission or settlement house, or in the great city church.

IV. A Converted Brother (vv. 17-19).

The fears of Ananias that Saul might still be a worker of evil (v. 13) are soon overcome by God's assurance that in the praying Saul He had prepared for Himself "a chosen vessel" (v. 15) to bear the gospel to the Gentiles and to kings, as well as to Israel.

It is interesting to observe that Saul knew nothing of that subtle hypocrisy known as being "a secret believer," for at once he made open confession of his faith in baptism, and "straightway he preached Christ in the synagogues that he is the Son of God" (v. 20).

Secret Prayer Life

It is possible for a Christian to accomplish more for the Kingdom of Christ by a faithful secret prayer life than by the most public active life without it.—John R. Mott.

Michigan, called at the E. W. King and Austin Savage homes on Monday of this week.

Mrs. Alva Scoville, her daughter, Mrs. George Rohr, and Miss Grace Tillotson from Kenosha visited the Harrie Tillotson home, Friday afternoon.

Sunday visitors at the Ralph Fields and E. E. Fields homes were Mr. and Mrs. Chester Mills and daughter, Marilyn, Mr. and Mrs. Irving Mills and Mrs. Lola Henman and sons, Robert and Carolon, and Mrs. Cecil Henninger, all of Chicago.

Temperature of Steam Reduced

Live steam, while traveling through the vanes and blades of a turbine, is reduced in temperature from 800 degrees Fahrenheit to 80 degrees Fahrenheit within three-one hundredths of a second, says Collier's Weekly.

His New Name

Every revolution throws up some curious quirks in human nature. In the French revolution they abolished nobility, prohibited religion and made a new calendar for themselves, and the story of M. de Saint-Janvier shows how all three worked out in practice. They abolished the "de" in his name because it smacked of nobility; the "Saint," because it reminded of religion; and the "Janvier" (January) because they had changed the calendar; so his name went down on the records as: "Citizen Nivoso, formerly De Saint-Janvier."

LAKE VILLA

Lake Villa Community Church
I. B. Allen, Pastor
Sunday School—10 A. M.
Worship Service—11 A. M.
Next Sunday is Palm Sunday and it is hoped that as many as possible will attend the service, which will be at the regular hour of 11 o'clock, the sermon topic, "The Kiss of Judas." Those who have earned pins for Sunday-school attendance will receive them at the 11 o'clock service. Both Junior and Senior choirs will take part at this service.

The minister would like to announce that those who have babies to be baptized should bring them on Easter Sunday morning when that service will be held.

Sunday school last week regained its normal balance with 50 in attendance. All children in the community are welcome to attend. The class of young women which meets each Sunday morning also welcomes new members.

The final "quiz" of the season will be given on Friday evening this week, and the Antioch Lions club will be on hand to again try their luck against the Lake Villa men. Gus Velasco, Mexican singer and entertainer will not be on hand for special entertainment, as had been planned, but singing and tap dancing will be special features. Time—8 o'clock; place—village hall.

The Ladies' Aid society will hold its next meeting with Mrs. Frank Richards at her home Wednesday, April 5. This will be a pot luck dinner and birthdays of January, February and March will be celebrated. Visitors are welcome. The ladies have planned to serve a supper at the church on Thursday, April 20th, and ask the patronage of the public. There has been no gathering of this sort for some time and the committee plans a splendid menu. Proceeds of the supper are to help pay for the parsonage furnace installed last fall.

The fire department was called out last week to control grass fires at Petite Lake and Fourth Lake regions and also set fires to burn grass on vacant lots in the village so as to prevent damage.

Mrs. Paul Avery entertained her Bridge club at her home last Thursday afternoon at a luncheon and party. Mrs. Perry, Mrs. Leo Barnstable and Mrs. Pedersen were awarded the prizes in the afternoon games.

Mrs. Swanson and Mrs. Paul Avery attended a meeting of the Royal Neighbors at North Chicago on Monday evening and Mrs. Avery filled the office of Oracle and Mrs. Swanson that of Outer Sentinel.

Fred Hamlin is still confined to his home by illness.

NEWMANS

127 North Genesee Street, Waukegan

MILLBURN

Mrs. Mina Gilbert and daughter, Miss Margaret of Waukegan were week-end guests at the Horace Culver home.

Mrs. Harry Herrick returned home Saturday, after spending a week with her mother, Mrs. William Carney, who was ill at her home in St. Olaf, Iowa. One hundred and thirty Fathers and Sons enjoyed their banquet and program in the church dining room last Friday evening. Richard Martin acted as toastmaster, with Leslie Bonner giving the toast to the sons and Lloyd Strang to the dads. Melvin Frank led the singing and two cornet duets were played by William Bollow and Harry Herrick. The sound picture, "Wheels Across Africa," and other motion pictures were enjoyed by all. The Ladies' Aid society will serve dinner at the church Thursday, April 6 at noon.

Mrs. Lewis Bauman and Mrs. Eric Anderson were guests at the dinner and meeting of the Yorkhouse Ladies' Aid held at the home of Mrs. Charles Holdridge on Saturday.

F. G. Edwards and Mrs. J. Kaluf spent Tuesday with the William Heinze family at Lansing, Ill.

Mr. and Mrs. Frank Hauser and family attended the funeral services for Mr. Hauser's niece, Miss Gladys Nauta, in Waukegan, Monday afternoon. Burial was in Millburn cemetery.

HICKORY

Mr. and Mrs. Marvin Nelson and two daughters from Wausa, Nebraska, moved to the former George Thompson farm last week.

Mr. and Mrs. Emmet King entertained for dinner Sunday, Mrs. Ambra Curtis from Racine, Wis., Miss Grace Tillotson and Mr. and Mrs. Alva Scoville, and Mr. and Mrs. George Rohr, from Kenosha. Supper guests were Mr. and Mrs. Gerhardt Lange.

Mr. and Mrs. Bert Edwards and family drove to Joliet, Sunday and visited Mr. and Mrs. Ward Edwards. Miss Marion Cook of Waukegan was home Wednesday afternoon.

Mr. and Mrs. Willbur Hunter and Jerry of Mundelein spent Friday evening at the Hugo Gussarson home.

Mrs. Jennie Pickles spent Sunday afternoon with Mrs. Adam Dibble in Antioch.

A number from this vicinity attended the Father and Son banquet at Millburn Friday evening.

Al Swenson was a patient in Victory Memorial hospital for several days last week. He injured his back while lifting cans of milk.

Miss Dorothy Hunter of River For-

est spent Saturday night and Sunday with Mrs. Ruth Gussarson.

Mrs. O. Anderson and son, Philip, from Lake Villa visited Mrs. Max Irving, Tuesday, March 21.

Rob Simmons from Land O' Lakes,

Air Pollution Study By Illini Scientists Aids Disease Fight

Standards which are starting the study of air pollution at the point where the study of milk and water contamination were 30 or 40 years ago, are being established under the direction of Dr. Lloyd Arnold at the University of Illinois College of Medicine at Chicago. These standards will be valuable to medical science in attacking pneumonia, influenza, scarlet fever and other air-carried diseases, and will aid the development of air conditioning.

Comparable pioneering studies in the field of fluids three or four decades ago have enabled man to control such liquid-carried diseases as typhoid fever, cholera, and diarrhea, and purify drinking water and establish sanitary measures for the handling of milk.

The University of Illinois scientists are making quantitative studies of bacteria in air through use of the new Wells air centrifuge. The part these bacteria play in causing disease has long been known, but medical science has lacked means of making quantitative studies upon which to base further work.

HUMAN SMALLPOX HAS COUNTERPART IN SWINE DISEASE

Swine raisers have had increasing trouble during the last few years from a hog disease which very closely resembles the human ailment, smallpox.

Swine pox, as it is called, chiefly affects young pigs and growing shoats. The pox appears on the hair-free portions of the body, especially on the belly, snout and armpits. At first the spots are the size of a pin, then they blister, and finally form a crater-like scabbed sore, the typical pox lesion. Swine pox also appears sometimes on brood sows, pox sores developing on their udders and teats. In these cases, suckling pigs develop sore mouths, and starve.

Farmers should be cautious about introducing new pigs into a herd, and should always isolate them for a few weeks. The buyer should demand a certificate of veterinary inspection when new pigs are purchased. Pox pigs should never be sold to neighbors, as the disease is very contagious.

Prompt attention by a veterinarian will greatly reduce losses from swine pox. If treatment can be started when the first spots or blisters begin to appear.

Swine pox is generally characterized by a breaking out on the under surface of the body.

Mrs. E. A. Martin spent Wednesday with Mrs. John Cinkosky in Milwaukee.

The Busy Heart

The heart sends three gallons of blood a minute from the right to the left side. In violent activity the amount may reach 10 gallons.

Gas Gas All Time

Mrs. Jas. Miller says: "Gas on my stomach was so bad I couldn't eat or sleep. Gas even pressed on my heart. Adierika brought me quick relief. Now I eat as I wish, sleep fine, never feel better."

Farallones Islands
The Farallones Islands are a group of six small rocky islands in the Pacific off the coast of California, about 28 miles from the entrance to the Golden Gate. A large number of rabbits are found on the islands; they are prolific in bird life and many sea lions are on the coast. The islands were created a federal bird preserve in 1909.

Government
The best government is that which teaches us to govern ourselves.—Goethe.

J. DUNNING

Decorator
Antioch, Ill. Tel. 92-J

To The Voters of Antioch Township:

My duties as highway commissioner of Antioch township have kept me busy and for that reason I have been unable to see all voters personally in my campaign for re-election. I take this method of asking voters for their support at the polls next Tuesday, April 4.

Voters are asked to consider my service record during the past seven years, both as to efficiency in keeping the township's roads in condition and the economical administration of the office. The department is entirely free of debt, it has been operated within the budget allotted for road purposes, and there have been no increases in taxes.

The highway commissioner is a township officer, and he is bound to give service in every part of the township as requirements demand. Many times both day and night service are required to keep roads open. My constant aim has been to give equal service to all communities in every part of the township.

I ask all voters to examine my record and consider my qualifications for the office. If re-elected all citizens may expect the same courteous and efficient service I have given them for the past seven years as your highway commissioner.

RE-ELECT

Carl Barthel

HIGHWAY COMMISSIONER

Automatic Gas Water Heating

...Expensive?

NO—BUT I THOUGHT SO, TOO, TILL I PROVED TO MYSELF THAT IT WASN'T!

•"Funny how an idea sticks! Here I thought all along that having constant hot water—automatically, just couldn't help being expensive. But my, how wrong I was!

"For you see, we took advantage of the 90-Day Home Trial Offer and proved to ourselves that Automatic Gas Water Heating wasn't expensive. In fact, our own comparisons, in our own home, showed that water heated this modern way was remarkably low in cost.

Yes, hundreds of Northern Illinois families are finding Automatic Gas Water Heating to be truly economical.

Economical and convenient, too! For now they can enjoy plenty of hot water . . . for baths, cleaning, home beauty treatments, dishes, shaving—automatically, at the turn of a tap.

Why not resolve to enjoy these self-same benefits yourself? Take advantage of this 90-Day Home Trial Offer and prove to your own satisfaction the comfort, convenience and low cost of Automatic Gas Water Heating. Come in and choose from well-known makes of heaters now being featured by dealers and the Ruud (with MONEL Metal tank), Rex and Lovekin at Public Service.

PLUMBERS and

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

MAKE THIS 90-DAY HOME TRIAL NOW!

We install a new Automatic Gas Water Heater for only \$1.50 down (Up to 48 months to pay the balance on your Gas Service bill.)

THEN... you compare comfort... compare convenience... compare costs for 90 days in your own home. If at the end of this time you decide to keep your Automatic

Gas Water Heater... we give you a \$5.00 allowance for your old side-arm, furnace coil or coal pot heater AND \$10.00 allowance for installation.

THIS OFFER GOOD FOR LIMITED TIME ONLY!

Yesterdays

Taken from the Files of The Antioch News of April 2, 1891

The prophetic warning uttered two years ago by the News, that unless steps were taken to provide this village with some mode of fire protection, its people would awaken some morning to find a good portion if not all of it a smouldering ruin, has borne fruit.

The Rogers block, housing Foltz store and other stores and businesses, including the Antioch News office, was burned to the ground Monday at an estimated loss of \$50,000.

(Editor's note—Fire losses in the village of Antioch for 1938 totalled \$28.)

The annual town meeting of the Town of Antioch will be held in the home of L. J. Simons April 7.

Netts Island in Pistakee lake will be offered for sale by the Department of the Interior at Washington, D. C., April 15.

30 YEARS AGO

April 1, 1909
George D. Paddock, who served in the Ninety-sixth Illinois Infantry, Company D, during the Civil War, died Wednesday evening at the age of 69.

A chair was presented to "Uncle Joe" Rinear in honor of his sightly-

sixth birthday anniversary by members of the club to which he belonged.

15 YEARS AGO

April 3, 1924
The policy of the Antioch Business club was outlined by Robert C. Abt, president, at a meeting Monday night in the Woodman hall. Forty representative business men attended.

Miss Annette Smart and Berny Fields, a popular young couple of this section, were united in marriage last Thursday in Waukegan.

The new dance pavilion being erected by W. O. Winch at Channel Lake is rapidly nearing completion. The new building is 132 x 172 feet. The main dance floor will be 60x100 feet. The former dance pavilion is to be converted into a hotel.

Peanuts by the Ton

Visitors to the wharves in Dakar, Senegal, will find them piled high with peanuts. It supplies Germany and France. As many as 30,000 tons of peanuts are shipped from Dakar annually. A ton of peanuts occupies a large space.

Two-Dimensional History

Every great man deserves an autobiography and a biography—one to tell his side of the story, and one to give the lowdown.
